## **RULES AND REGULATIONS**

1. All animals must be registered and will be transferred to the new owner at the consignor's expense, unless otherwise stated.
2. A veterinarian will check all sheep consigned to the sale on Friday at 4pm.
3. All animals must be slick shorn after May 1<sup>st</sup>, 2019, except for junior lambs, which may be washed and trimmed.
4. All animals must be paid for in full before removal from the sale venue. Sale management reserves the right to refuse personal cheques and require cheque or visa, e-transfer, bank draft or certified cheque.
5. All sheep must arrive at 5375 Sideroad 6/7, New Lowell, between 10am and 3pm on Friday May 17.
6. All animals must be registered, legibly tattooed and accompanied by their registration paper. Where national identification tags are required, each animal shall have such tag prior to entering the premises.

## **SALE GUARENTEE**

All animals are guaranteed breeders if cared for in a satisfactory manner. Any settlement of such guarantee is between the consignor and purchaser.

## **TRANSPORTATION**

Transportation arrangements can be made to all parts of Canada at the buyer's expense. Please contact us prior to the sale date for quotes and tentative arrangements to be made.

## **JUNIOR PROJECT LAMBS**

All youth will receive \$50 towards the purchase of a Project lamb through the sale. This is made possible through a joint venture between the consignors, sponsors and Atkinson/Bell.

## WELCOME

***Welcome to "The Next Step", as we join together as two breeders with our growing children. Like our last sales, our objective continues to be to promote good, solid sheep of a variety of breeds. This sale features our own breeding, the breeding of our children's sheep, and an excellent representation of breeds through our consignors selection.***

### ATKINSON INTERNATIONAL

Atkinson has been raising purebred sheep for 31 years and exhibiting for 39 years. Grandfather, Tasker Grant, started with a Suffolk flock in the early 1930s. Today Atkinson's operation includes 3 breeds of sheep, chickens produced for Maple Lodge Farms, and a cropping rotation of corn, wheat, soybeans and hay. Our daughter, Mackenzie (age 15) raises purebred border collies. Our son, Evan (age 13) has a flock of Oxford sheep and enjoys welding and fixing equipment.

Atkinson International maintains a high-level health status, breeding for scrapie resistance, and blood testing for maedi visna, blue tongue, Q-fever, enzootic abortion, along with other testing for the purpose of Domestic quality and International standards.

***"We look forward to seeing old friends and meeting new ones. Anytime is always a good time to talk sheep!"***

Celebrating 19 years of Marriage on May 20<sup>th</sup>.

### BELL FAMILY FARMS

The passion for sheep & farming began at the young age of 8 for Jordan, getting his first 2 lambs. Now 31 years later, he shares his passion & love with his wife, Teralyn & 3 children (Ava 14, Alyssa 6 & Brayden 5). The Bells farming operation has matured to 200+ pure bred sheep (North Country Cheviots, Hampshire, Suffolk & Charollais), 30 cow-calf operation and a recent expansion of another 100 acre family farm. We are proud to offer our top genetics from our breeding program & look forward to inspiring the next generation.

***"Farming is in your blood. You don't think about the long hours & work. You do it because you love it!"***

Happy 5th Birthday to Brayden on sale day!

*It is our mission to produce genetically sound, quality pure bred sheep with style – that will perform not only in the show ring, but more importantly in the barn.*

## BORDER LEICESTERS

## FEATURE SHEEP: "DUNDEE"

**100% Australian  
bloodlines imported  
in 2017. Proven sire,  
covered 60 ewes in  
2017-18**

### LOT # 76

Atkinson International  
"DUNDEE" TATTYKEEL

160932, 1785 16-0932

DOB: Sept 8 2016,

Male, Single birth

SIRE: Tattykeel 130930 (AUS)

DAM: Tattykeel 120286T (AUS)

*Sourced from Tattykeel's own keeper pen, these Australian genetics are all Codon 171 RR resistance. "Dundee" was used in our flock and now is available for sale to enhance the Canadian Sheep Industry. We are also selling 100% Australian Polled Dorset ewes. We have retained one ram and 5 ewes of the 2017 imported group for our own breeding flock enhancement.*

### ON-LINE INSTRUCTIONS FOR: Bidspotter.com

The Sale will be a live simulcast with a real time video feed from the auction ring allowing online bidders to see the action. You must register with Bidspotter and then your registration will be forwarded by Bidspotter to Leveredge Assets Solutions for final approval. Once approved the bidder will receive an approval email and then they will have access to bid.

**ONLINE PURCHASES:** Maximum 6% Buyer's Premium will be added to all online purchases. The online buyer can reduce the buyers premium from 6% to 3% if they pay by cash, cheque, bank draft, e-transfer, and debit.

**CREDIT CARD PURCHASES:** Maximum 3% Buyers Premium will be added to all onsite credit card purchases. The onsite buyer can waive the 3% Buyer's Premium if they pay by cash, cheque, bank draft, e-transfer, and debit. We can accept major credit cards.

There won't be anything to view online until the day of the auction but you will be able to register after May 10, 2019.
